THE NEWSPAPER LAW.

1. All subscribers who do not
give express notice to the con-
trary are considered wishing
to continue their subscription.
2. If subscribers order the
discontinuance of their period-
ical the publisher may con-
tinue to send them until all
arrearages are paid.

3. If subscribers refuse or
neglect to take their period-
icals from the office to which
they are directed, they are
responsible until they have set-
tled their bills and ordered
them discontinued.

4. Subscribers moving to
other places without informing
the publisher, and the papers
are sent to the former address,
they are held responsible.

5. The courts have decided
that refusing to take period-
icals from the office, or remov-
ing and leaving them uncalled
for, is prima facie evidence of
intended fraud.

If subscribers pay in ad-
vance they are bound to give
notice at the end of the time
they do not wish to continue
to get it, otherwise the pu-
lisher is authorized to send it,
and the subscriber will be
responsible until an express
notice with all arrearages, are
sent to the publisher.

The latest postal laws are
such that newspaper publishers
can arrest any one for fraud
who takes a paper and refuses
to pay for it. Under the law
the man who allows his sub-
scription to run along some
time unpaid, and then or-
ders the postmaster to mark
it "refused" and have a postal
card sent notifying the pub-
lisher, leaves himself liable to
arrest and fine, the same as for
theft.

We Are Not a Small Store

On a back street trying to get a start by dividing our profits with our customers.

We Are Not a Big Store

At the end of the street trying to freeze out the smaller concern.

But We Are

The oldest, best located, best stocked, and best equipped store in Carson, holding our place where
we always held it, at the head of the procession.

PRICE \$74.99. REDUCED FROM \$75.
WHY DO WE DO IT?

For the same reason that some of our competitors have reduced the price of Citron, Lemon and Orange Peel? Because we
know that you do not want it at this season of the year and we want to make a cut that will look big to you and amount
nothing to us.

No, we do it to attract your attention. Now that we have it let us ask if you have noticed a great reduction in our neighbor's
prices. Are they not asking "before the war" prices for most of their goods? Are they not selling a few unimportant things cheaper
and making up on others? Is not the general average about the same? Do you think it is much to your advantage to get what
you do not want cheaper and pay as much or more for what you really need?

Do you know why they shout CASH every time they make a close price? Is it because they are not able to trust you? If so
do you think they will be able to buy to advantage and sell accordingly? Is it because they cannot trust you? Then can you
trust them? Is it because they think you will not have cash to take advantage of their offer with? Perhaps.

Now we are not so particular about the CASH. We have probably trusted twice as much as any house in Carson and are still
doing it. We have had your confidence and have been trusted by you and we are not going to exact Cash from you before we
give you what belongs to you—your money's worth.

Our prices are not HALF RIGHT they are ALL RIGHT and they are our only weapons. You can come to our store with-
out seeing ugly looking knives or hearing us shout CASH OR MERRY WAR.

TRY IT.
